

LIKELY TO REMOVE ALL DANGER OF WAR

No Mention Made of Lansing's Reprimand for Language of Note of June 20—State Department Officials Pleased.

Washington, July 5.—General Carranza's reply to the last two notes sent him by the United States government was delivered to the state department early today by a Mexican embassy attache.

As soon as a translation of the Spanish text could be made it was sent to the White House. Until Secretary Lansing and President Wilson have had an opportunity to confer there will be no formal comment, but some state department officials did not attempt to conceal the fact that they considered the note most satisfactory and likely to remove all danger of war.

Brief and free from all superfluous language of diplomacy, the communication points to the release of the American troopers captured at Carrizal as a proof of the Mexican government's sincere desire to avoid a conflict; states as the outstanding issue the reasonable belief of the United States that the insecurity of its frontier is a source of difficulty and on the other hand the belief of the Mexican government that the presence of American troops in Mexico is a trespass on that country's sovereignty and the immediate cause of trouble.

Accepts Mediation Principle.
In offering to consider in a "quick and practical way" the remedies which should be applied, the note gives notice that Mexico has accepted in principle Latin American offers of mediation, and awaits information that the United States is disposed to accept mediation or still is of the belief that the same results may be attained by direct negotiation.

Assurances are given that in the meantime the de facto government will employ every effort to avoid a recurrence of incidents which would complicate and aggravate the situation, and the hope is expressed that the United States will endeavor to have its military and civil authorities do likewise. This is the reply of Carranza to the demands of the United States for a statement of his intentions.

One Question Evaded.

A specific response to the question of whether he stands upon the instructions to Gen. Trevino to attack American troops moving other than northward is evaded and there is no mention of the reprimand administered by Secretary Lansing in his note of June 20 on account of the offensive insinuations and language contained in Carranza's last communication demanding recall of the American troops.

Although the note is signed by Gen. Aguilar, foreign minister, officials of the Mexican embassy believe it was dictated by Gen. Carranza himself.

A TWICE TOLD TALE

One of Interest to Our Readers.

Good news bears repeating, and when it is confirmed after a long lapse of time, even if we hesitated to believe it at first hearing, we feel secure in accepting its truth now. The following experience of a Newberry woman is confirmed after five years.

Mrs. J. B. Amick, 1130 Summer St., Newberry, says: "I had backache and pains in my head. I was dizzy and nervous and spots often floated before my eyes. The kidney secretions were irregular in passage and I knew my kidneys were out of order. Doan's Kidney Pills soon made me feel better in every way and my kidneys became normal." (Statement given March 23, 1911.)

On November 20, 1914, Mrs. Amick said: "Whenever I have a return of kidney trouble, due to a cold settling on my kidneys, I use Doan's Kidney Pills and they give me prompt relief."

Corns Come Off LIKE Banana Peel

Wonderful, Simple "Gets-It" Never Fails to Remove Any Corn Easily.

"Wouldn't it jar you? Here I've been going along for years, with one desperate corn after another, trying to get rid of them with salves that

eat off the toes, tapes that stick to the stocking, bandages and plasters that make a package of the toes, trying blood-bringing razors and scissors. Then I tried 'Gets-It' just once and you ought to have seen that corn come off—just like a banana peel." It's simple, wonderful. It's the new way, painless, applied in two seconds, never hurts healthy flesh or irritates. Nothing to press on the corn. Never fails. Quit the old ways for once anyway and try "Gets-It" tonight. WHAT'S BAD FOR YOUR SKIN IS BAD FOR YOUR CLOTHES

Many laundry soaps and soap powders roughen the skin of the hands. The same chemical that does this is injurious to fabrics.

Borax is beneficial to the skin. It cannot possibly hurt your clothes. But it cleans them to perfection.

"20 Mule Team Borax Soap Chips" are pure soap and pure borax combined in the right proportions for laundry work.

A 25c package will do more cleaning than 50c worth of bar soap or washing powders.
